

How to get to St Johns Ambulance Hall, Northchurch

St Johns ambulance Hall is quite hard to find as it lies up a small dirt track, around the back of the social centre on Bell Lane. Also, the bottom of Bell Lane has a one-way section going up from the High Street.

**Address: St Johns Ambulance Hall,
Northchurch HP4 3RD**

DIRECTIONS

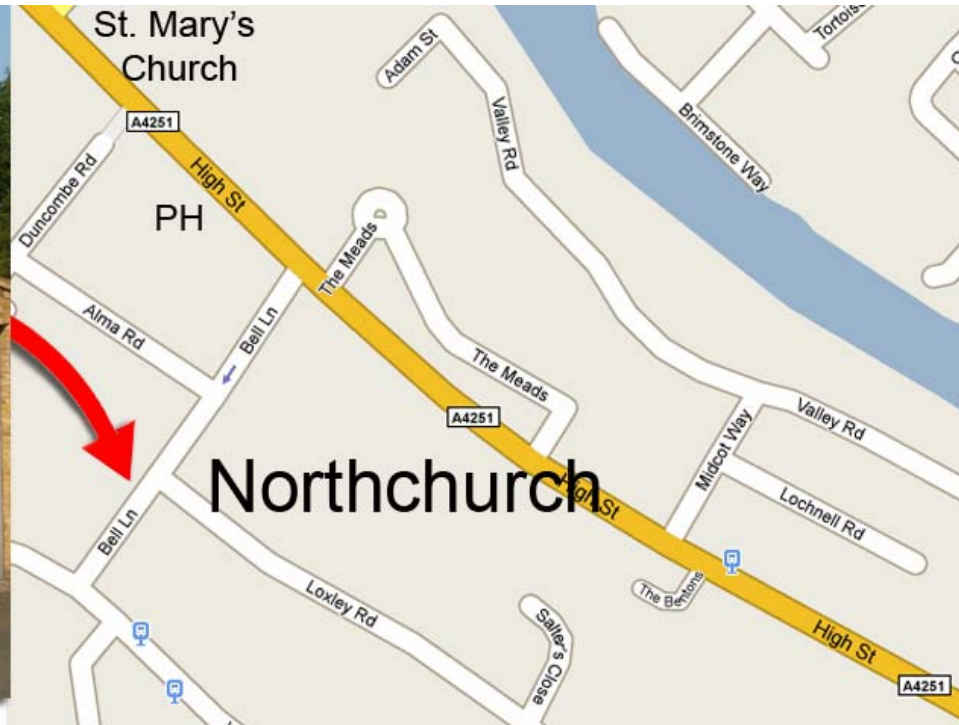

The easiest way is from the High Street and look for Bell Lane. It's a quite hard to see as the entrance to the road is small, but is one-way going up from the High Street. 100 meters up Bell Lane, almost opposite 'Loxley Road' you'll find a steep entrance to the social centre. A small dirty track on the left takes you past some garages. St. Johns Ambulance Hall is 50m along on the right hand side.
